Prevention of intracranial complications - M. Jorissen
Silent sinus syndrome and pneumosinus dilatans - V. Lund
Evo-Devo in rhinoseptoplasty – R. Jankowski

SUNDAY : 17.01.16 - 4.30 PM
Afternoon Session 3

Moderator : C. Cingi

Brainstorming on precision medicine in Rhinology - P. Hellings
The aesthetic brain - Ph. Rombaux
The importance of the septum not only in functional but also aesthetic : W. Gubisch
Nasal tip suturing - C. Cingi
The crooked nose - A. Winkler
The alar base - A. Mesbahi
My worst/my best case of the year rhinoseptoplasty – All

MONDAY : 18.01.16 - 8.15 AM

Morning Session 4

Moderator : S. Vlaminck

Endoscopic endonasal septoplasty - P. Dolhen
Morphing and rhinoplasty - P. Lekakis
Cingi steps for preoperative image editing before rhinoplasty - C. Cingi
Challenging secondary rhinoplasty : W. Gubisch
How to avoid nasal valve problems in rhinoplasty - I. Konstantinidis
Nasal surgery and olfaction - B. Landis
The role of computational fluid dynamics in nasal surgery - A. Zarowski

MONDAY : 18.01.16 - 4.30 PM

Afternoon Session 5

Moderator : Ph. Eloy

Radiofrequency, what else ? - Ph. Rombaux
Endoscopic surgery of meningoencephalocele : I. Konstantinidis
Endonasal treatment of intraorbital hemangiomas - C. Ikonomidis
Mucocele in 2016 - V. Lund
Indications for sinus surgery in children - Ph. Eloy
Long term results of ESS - Vlaminck
My worst/my best case of the year Sinus surgery - All

TUESDAY : 19.01.16 - 8.15 AM

Morning Session 6

Moderator : Ph. Rombaux

Nasal airway function tests between sense and non-sense - K. Vogt
Hump reduction and osteotomy - A. Mesbahi
Ideal eyebrow shape and position - C. Cingi
Most common complications in rhinoplasty - I. Konstantinidis
Rhinoplasty in Wegener's granulomatosis - A. Winkler
Desarticulation in septoplasty - R. Jankowski
Nasal septum reconstruction using titanium - D. àWengen

TUESDAY : 19.01.16 - 4.30 PM

Afternoon Session 7

Moderator : M. Jorissen

Spreader flap/graft - Ph. Rombaux
3D applications in rhinoplasty - P. Lekakis
Update in HHT - V. Lund
ESS in cystic fibrosis - M. Jorissen
Mucus in CRS - S. Vlamincx
Endoscopic endonasal septoplasty in children - Y. Rusetskiy
My worst/my best case of the year in rhino-paediatric – All

WEDNESDAY : 20.01.16 - 08.15 AM

Morning Session 8

Moderator : P. Lekakis

Tongue and apnea (60') – Ph. Rombaux

End of the meeting
